

# Oxy Jet Leo Delux

OXY JET LEO DELUX By the application of pulsed oxygen pressure injections, active formulations are “shot” deep into the skin -without needles, gently, effectively and safely! Confirmed by the German “Fraunhofer Institute for Biomedical Technology”: 60-times increased penetration of special preparations and formation of a deposit in the deep layers of the skin. Confirmed by the English “Cornwall Dermatology Research Institute, Peninsula Medical School, Truro”: Up to 3-times increased penetration of special drugs in the treatment of skin cancer nodes.

Excellent treatment results can be obtained for:

- wrinkle formation
- atrophic skin
- pigmentation disorders
- acne and impure skin
- scars and stretchmarks

Tools to be used:

OXYclear: DEEPLY CLEANSED AND FRESH

OXYjet: NEEDLE-FREE INJECTION

OXYtone: NATURALLY TIGHT IS BEAUTIFUL

CRYO2: COLDNESS AGAINST DULL SKIN

OXYdiamond: DIAMONDS FOR A “NATURAL GLOW”

OXYspray: FIRST AID IN THE CASE OF IRRITATED SKIN

BIO2LIGHT: MORE THAN OXYGEN
